

Dance... a Sacred Art

SACRED

dance

GUILD

Promoting sacred dance as a means for spiritual growth and a path toward personal and global transformation.

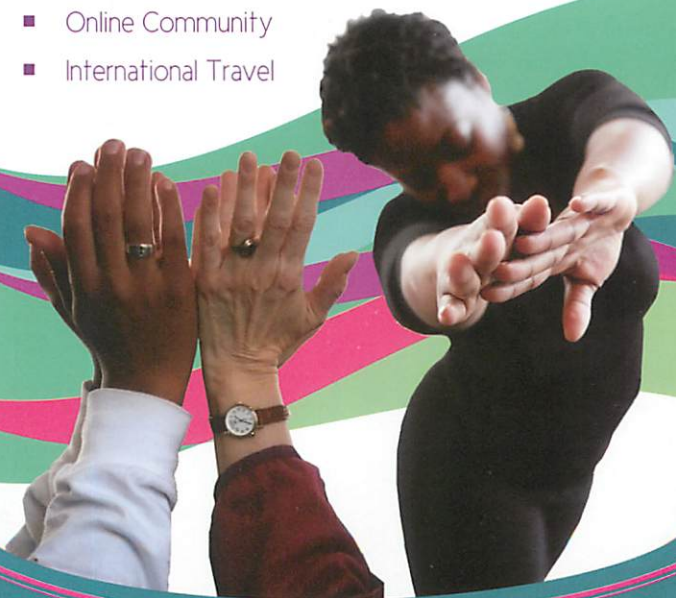

Come dance with us!

Experience creative movement, transformation, meditation, healing and prayer through dance.

The Sacred Dance Guild welcomes all who share an interest in dance as a spiritual expression. We embrace and celebrate a rich diversity of dance styles, cultures and spiritual traditions. SDG advocates for a better understanding of dance as a sacred art.
